**Subject:** TCEQ/EPA Discussion RE: Exceptional Event Demonstration for DFW

Good Afternoon,

I was asked to coordinate a discussion regarding plans for submission of an exceptional event demonstration. TCEQ is considering submitting an exceptional event demonstration for several dates in August 2020 at the Grapevine Fairway monitor (C70/A301/X182). EPA's concurrence of the exceptional event demonstrations will result in removal of the data from the design value. The 2020 design value will then show the area is in attainment of the 2008 eight-hour ozone standard. Per EPA guidance, the TCEQ would follow up with an initial notification letter after this requested meeting.

Would you be available on one of the following dates/times below:

Monday, 3/1, at 2:00 PM CST

Wednesday, 3/3, at 11:00 AM CST

If so, I am happy to send you a Microsoft Teams Meeting with dial-in information.

Thank you,  
Adena
